Inter-City 125

It's the changing shape of rail

New INTER-CITY 125 trains are progressively bringing improved standards of speed and comfort to many of the services between London and Bristol/South Wales, leading to a comprehensive service of INTER-CITY 125 trains on those routes in May 1977.

The services shown in this timetable offer connections with INTER-CITY 125 at Paddington.

Travel Centres

At Paddington and Slough stations, British Rail Travel Centres provide a comprehensive service, including advance bookings and seat and sleeper reservations for British Rail and European trains; Motorail and Godfrey Davis Rail Drive car hire reservations; Sealink Ferries and Seaspeed Hovercraft bookings; hotel and airline reservations. A Business Account Service gives companies all these facilities in one telephone call!

Contact the Travel Centre Managers on 01-402 8668 (Paddington) and Slough 38628.
