

INFORMATION

Times in heavy type (e.g. **2050**) represent through services; those in light type (e.g. 00 40) indicate connecting services and passengers are advised to enquire where to change trains.

Many trains on, and a few days before and after public holidays are altered to meet changed travel demands. Please check before travel.

From time to time it is necessary to undertake extensive engineering work at weekends. This frequently affects Saturday night/Sunday services and passengers are advised to look for specific announcements of possible diversion and delays, making a final check at stations or telephone enquiry bureaux.

For information about other train services or facilities contact your local station or phone Reading 595911, Slough 38621 or London (01) 262 6767.

British Rail car parks are provided at Burnham, Taplow, Maidenhead, Twyford and Reading stations. It is worthwhile asking about our car parking season ticket rates.

The British Railways Board accepts no liability for any inaccuracy in these tables, which may be altered or cancelled, particularly during public holiday periods.
